

Oakleigh House – COVID-19 Update – 05.01.2021

In the interests of our clients, colleagues and the local community we continue to follow the government guidance and take the necessary precautions to remain COVID-secure, in all aspects of our business.

The Chartered Surveyors within the business have been able to successfully relocate their desks, in order to work from home and in view of the national guidance this remote working continues. Individuals can be contacted at any time by email or on their mobile phones.

If you would like to speak to one of the team, please contact them directly or do not hesitate to call us on **01832 732241** or email **enquiries@bletsoes.co.uk**. and you will be put in contact with the most appropriate person within our team, to deal with your enquiry.

Throughout lockdown 3.0 and beyond, we can discuss matters over the telephone, by video conference call or arrange a face-to-face appointment for essential meetings.

Our livestock markets remain open for business as does the Estate Agency and a team of core administrative personnel will continue working in our offices.

We appreciate the understanding and support that we have received from our clients and contacts throughout this exceptional time. Please be assured that we will maintain business continuity, whilst prioritising the well-being of our clients and members of the firm. We will continue to co-ordinate and implement measures in response to the pandemic and, as far as possible, it will be business as usual at Bletsoes.

We remain ready, willing and able to offer help and advice. Since 1881 we have seen many challenges and have helped guide our clients safely through challenging and difficult times. Now more than ever, experience counts.
