Sale of Unwarranted Horses & Ponies

To be sold in the cattle ring at approx 12.45pm

Lot 1 - PICASSO: Very striking dun and white 2-year-old gelding with 2 blue eyes. Measuring just under 13h at present. Breeding unrecorded in passport but is by a 15h chestnut spotted cob stallion carrying the LP1 and double PTN1 gene and out of a piebald pony mare.

Lot 2 - KIWI: Bay, 2-year-old, half-bred fell gelding. Out of a registered fell mare who stands at roughly 14h and by a 15h chestnut spotted cob stallion carrying the LP1 and double PTN1 gene.

Lot 3 - SANCERRE: Black, 1-year old filly, full Sister to the bay 2-year-old.

Lot 4 - APPLEJACK: Skewbald, 3-year-old gelding, roughly 11h. Recently broken and now turned away. Really willing and easy little chap, everything we have asked of him during breaking he did with no complaint. Should be a lovely child's pony for somebody. Applejack has: Been ridden in an arena on and off lead rein, with and without other ponies' present; Been led out on the roads from another horse; Been ridden out around the property off lead rein.

All four have been living overall as a herd but are well-handled and have been produced quietly and correctly. As a result, they are straightforward, trusting and friendly. Lovely characters to have around, very sadly for sale to reduce stock numbers. All good to catch, tie up, load, trim, worm etc. All are passported, microchipped and vaccinated.
