# **SPECIAL GRASS FIELD SALE OF STORE & EWE LAMBS**

**WEDNESDAY 2<sup>ND</sup> AUGUST 2023**

**COMMENCING AT APPROXIMATELY 2.30PM**

We are now inviting entries for our Annual Sale of Store and Ewe Lambs on Wednesday 2<sup>nd</sup> August. The sale will commence at approximately 2.30pm, this will allow potential buyers to attend from a local sale. Please be patient. I would also like to remind you of our Sale of Breeding Sheep on Wednesday 6<sup>th</sup> September, for which entry forms will be sent out in due course.

This venue has excellent access and provides all the facilities the market needs. There is good penning, with pens of various sizes to suit each vendor. Sign boards will display vendors details and staff will be available to help sort and pen sheep.

The sale will be advertised in the Farmers Guardian and on our website, and all previous purchasers will receive a catalogue.

There will be a £25 prize for both the highest priced pen of ewe lambs and store lambs.

Please note that all ewe lambs sold as potential breeding stock must be double tagged and all others must be electronically tagged.

Our sale has grown over the past few years and has been recognised for the quality and increasing entries by many new buyers. Therefore, please complete the entry form and return to Bletsoes, by post or email, by no later than Monday 24th July. Earlier notification would be appreciated for advertising purposes.
