BUCKINGHAMSHIRE COUNCIL - CALL FOR SITES EXERCISE

Buckinghamshire Council are currently working on the preparation of a new local plan for development through to 2040. As part of this process the Council have begun a 'Call for Sites' exercise which will help them identify what land is available for both residential and economic development in Bucks. The Council now welcomes submissions to the 'Call for Sites' and this process runs until the 11th September 2022. Please note that the Council might still accept sites after this date.

The Planning & Development team at Bletsoes are happy to discuss any potential land within the confines of Buckinghamshire Council that you feel might be suitable for development and assist you with the 'call for sites' exercise. Parcels of land that are positioned in or on the edge of the built-up area of a town/village should be submitted. Land that is isolated and detached from settlement boundaries is less likely to be positively considered as part of this process.

We look forward to hearing from you and please do not hesitate to make contact, should you have any questions.
