### **Vendor Foreword**

As we continue to streamline our business with a dedicated focus on the plough industry, while continuing our farm and business clearance work, this auction offers a valuable opportunity to purchase a wide range of both plough and non-plough

related parts and machinery. A significant selection of surplus stock is available as we refine our operations for greater efficiency.

Don't miss this excellent opportunity to source quality items from trusted local clearances.

**Further entries will be added to each section prior to the Sale,  
but may not be listed in this catalogue.**

## CONDITIONS OF SALE

1. The highest bidder to be the purchaser (but the Auctioneers reserve the right of refusing any bid) and if any dispute arises at the last bid, the Auctioneers may name the purchaser or put the Lot up for sale again at the Auctioneers' discretion. The Auctioneers to fix the rate of bidding.
2. All prospective purchasers are to make themselves known to the Auctioneers prior to the time of sale, give their full name, trading name, address and contact details.
3. All prospective purchasers not known to the Auctioneers and who wish to pay by cheque must contact the Auctioneers prior to the sale day to make arrangements and provide two references and a bankers reference. Payment may be made by cash, cheque, bankers draft or a debit card. All purchases to be paid for upon the fall of the hammer and on the day of sale. No purchases over £500 will be released until funds are cleared. Please Note: Cash transactions over £8,200 cannot be accepted according to Government.
4. VAT will be payable on all lots in addition to the hammer price at the current standard rate payable unless otherwise stated.
5. Neither the vendors nor the Auctioneers make any warranty regarding engine hours or vehicle mileages.
6. All descriptions, either written or verbal, are for guidance purposes only. The Auctioneers or Vendors will not be responsible for the accuracy of any such description. All lots are sold with all faults and errors of description. Purchasers must satisfy themselves prior to the sale of a lot, as to the condition of each lot and should exercise and rely on their own judgement as to whether the lot accords with its description.
7. Prospective purchasers should be aware that from time to time lots are withdrawn and other lots added. Please contact the Auctioneers prior to the sale to ensure that any particular item of machinery is included in the sale.
8. It is the purchasers own responsibility to ensure all plant machinery and/or equipment complies with the Health and Safety at Work Act 1974 before the purchased items are used in any place of work.
9. The Auctioneer, as agent for the vendor, reserves the right to bid up to the reserve price where set (if any) on all lots.
10. At the fall of the hammer, the Purchaser will take full responsibility for the lot. The lot may not be removed from the sale premises before payment is made in full. All lots must be paid for on the day of the sale.
11. No person will be allowed to remove any lot(s) without the printed pass to do so. Lots must be cleared within 7 days of sale.
12. Failure on behalf of the Purchaser to pay for any Lot (s) will result in a re-sale. Any deficit or costs incurred will be the responsibility of the Original Purchaser.
13. The Vendors and the Auctioneers, as the Vendor's Agent, retain all title in any lots until all purchase monies have been paid in full. Outstanding monies will be charged interest at an interest rate of 4% above the bank base lending rate.
14. In all cases of transfer, the Original Purchaser shall be responsible for purchase money.
15. The Auctioneers will be pleased to take written commission bids prior to the sale. Forms are available on request.
16. The Sale of Goods by Auction will apply, a copy of which will be displayed on the morning of the sale. All prospective purchasers should ensure they have read and understood those Conditions. The act of bidding will be taken as acceptance of them.
