Report for Thrapston Collective Implement Sale

Wednesday 6th April 2016

A facelift for the old Camp sale seemed to go very well with everyone, the only thing similar was the weather we started off with the sunshine half way through we had torrential rain then we finished the day with bright sunshine again but very cold all day.

1100 Lots went under the hammer with some better quality items on offer than had been seen in previous sales. Prices topped at £3500 for a set of SIMBA Cambridge Rollers, Compact tractors sold for £1700, a lorry trailer and dolly sold for £1300, a Grey Gold Ferguson Tractor £1220, TAARUP Single Rota Rake £1150. Approximately 50 lots of Sheep & Cattle equipment was offered with handling systems ranging from £800 to £6000, a cattle cube was unsold at £3500, Sheep feeders and troughs sold from £5 - £125, Ride on Lawn mowers sold to £350, RICE Horse box £200, Armco Barrier sold for £15 per section. In the section with small tools items sold very well starting with a collection of new tools packs of work gloves £28, Signs to £45 from £5, Forks, Shovels, Sledge Hammers £8 - £18, Workshop vice £5 – 25, Spanner sets £5 - £65, Chicken Run £45, Poultry Feeders £8 - £14, Poultry Mesh £12 per panel, Feed Trough/Barrier £150, Cattle Feed Troughs £55, Cattle round feeder £80, Herris Security Fencing £5 - £10 per panel, Lawnmowers £5 - £120, Electric fencers to £60, Concrete water troughs to £18, Gates from £5 - £68, Rolls of Sheep netting £15 - £35, 140 wooden fence posts £200.

Overall a good start to this up and coming collective sale with your assistance and with the excellent road network system where Thrapston is situated this could be an excellent trading place for buyers all around the country.

The **NEXT** Collective Implement Auction will be held on

Friday 10th June 2016 at 10am

Could vendors please forward their entries before the end of May for Cataloguing and Advertising Purposes.
